**Sent on behalf of Khaki Bordovsky:**

Dear Member Cooperative:

As a cooperative member you have a patronage capital claim (and also could have other claims) against Brazos Electric Power Cooperative, Inc. ("Brazos Electric"). **June 15, 2021 is the deadline for filing proofs of claim in the Brazos Electric bankruptcy case. The claims do not need to include any amounts for OMRVMP, AMR, OMEEP, OMDRP or member pre-payments.**

Attached is an excerpt from the Brazos Electric Schedule F (Bankruptcy Document Number 648) of claims for patronage capital filed by Brazos Electric in the bankruptcy case. The amounts therein only reflect patronage capital claims through year 2019. Patronage capital claims have not yet been calculated for 2020.

Consistent with historical practices, Brazos Electric is (a) reviewing the previous 2018 and 2019 patronage capital amounts and calculating true-ups of these amounts and (b) calculating the patronage capital for year 2020. While that process has not been completed, attached for your information are Brazos Electric's best current estimate of the projected amounts of patronage capital, which shows an additional 87,074,699 in patronage capital for 2020 (after 2018 and 2019 true-ups).

Because at this time Brazos Electric has not determined the exact amount of patronage capital, and therefore must consider the patronage capital claims to be contingent and unliquidated, we suggest that each member file a Proof of Claim in the bankruptcy case. Your Proof of Claim should include any amounts you believe your cooperative may be owed by Brazos Electric for any reason, whether such claims are based on patronage capital or otherwise.

Members are not required to retain counsel to file a Proof of Claim, but you may want to do so. For those of you who have retained counsel in the bankruptcy case, you may want to consult them about filing a Proof of Claim and related matters. Completing and filing a Proof of Claim is simple. The requirements for filing a Proof of Claim are stated in the attached ORDER (I) SETTING BAR DATES FOR FILING PROOFS OF CLAIM, INCLUDING REQUESTS FOR PAYMENT UNDER SECTION 503(B)(9), (II) ESTABLISHING AMENDED SCHEDULES BAR DATE AND REJECTION DAMAGES BAR DATE, (III) APPROVING THE FORM OF AND MANNER FOR FILING PROOFS OF CLAIM, INCLUDING SECTION 503(B)(9) REQUESTS, (IV) APPROVING NOTICE OF BAR DATES, AND (V)

Under the terms of this Order, if a Proof of Claim is required, failure to file timely file a Proof of Claim could result in such creditor being barred from asserting such claim against Brazos Electric.

Instructions for filing Proofs of Claims and the Proof of Claim Forms are in the attached Order and are found at:

<https://cases.stretto.com/Brazos/file-a-claim/>

If you need help with your Proof of Claim, we urge you to consult with legal counsel to assist you with this matter as soon as possible, if you have not done so already.

---
